

CLAY AND PAINTING PARTIES

Muddy Waters Studio

Kid's Birthday Parties

Have a clay or paint party at our studio! Our teachers will tailor a party to your needs. We can do our basic wheel and hand building class or have a theme to the party. Want a princess castle party? We can lead the kids in sculpting or painting castles with Rapunzel on a balcony! Want a dragon theme? We can create dragons in caves! The minimum size is 3 people and the minimum age is 6 years old.

75 Minutes: We will spend the whole party having fun making art.

\$20 per person paint party

\$25 per person clay party (includes finishing fee)

2 Hours: Want to have a celebration too? We spend 90 minutes creating art, then we have the celebration in the studio: parents may bring any treats of their choice and the birthday kid can open presents. Call for more details.

\$27 per person paint party

\$32 per person clay party (includes finishing)

Adult or Family Events

We can do a variety of events for adults: birthday parties, reunions, team building, and women's groups are just a few examples. You can choose clay or paint. During a clay party, we can throw on the wheel, or do a combination of wheel and hand building. For a paint party we will ask you to pick a theme and Rachel will guide you through the painting process: Andy Warhol, Matisse, Monet, landscape, portrait are a few themes! The minimum group size is 3 people and the minimum age is 6 years old.

75 Minutes: great for a multi-stop evening, want to have dinner afterwards or on your way out to an afternoon of shopping? Or, if you have young children, we recommend this option!

\$20 per person paint party

\$25 per person clay party (includes finishing fee)

2 Hours: great for a focused group who really want to spend some time getting creative!

\$27 per person paint party

\$32 per person clay party (includes finishing fee)
